

CURRICULUM VITAE

**I LOVE SURVEY SAMPLING
SURVEY STATISTICS AND METHODOLOGY
OFFICIAL STATISTICS
SOCIAL STATISTICS
DATA SCIENCE AND MATHEMATICS**

POSTAL ADDRESS AND HOME ADDRESS

Abdulhakeem Eideh
Associate Professor of Survey Statistics and Methodology
Department of Mathematics
Faculty of Science and Technology
Al-Quds University - Abu-Deis Campus
East Jerusalem, Palestine
E-mail: msabdul@staff.alquds.edu
Tel: +970 - (0)2 -2240055 (Home)
Mobile: +970 - (0)59 9662851

HOME ADDRESS

Dr. Abdulhakeem Eideh
Beit Anoon, Eideh Family
Hebron, Palestine
Tel: +970 - (0)2 -2240055 (Home)

Updated, September, 2020

PERSONAL DATA

- Name: Abdulhakeem A.H. Eideh
- Sex: Male
- Birth of Date: 25, February, 1962
- Place: Hebron, Palestine
- Marital Status: Married
- Children: Boy, Girl, Boy, Girl, Boy, Boy.
- Citizenship: Palestinian
- Native Languages: Arabic
- Other Languages: English

EDUCATIONAL BACKGROUND

March 1998 – July 2002

- Hebrew University of Jerusalem, Israel, Ph.D., Statistics – Faculty of Social Science, March 1998 – July 2002.
- PhD Thesis: Estimation for Longitudinal Survey Data under Informative Sampling.
- Committees: Gad Nathan (Supervisor), Danny Pfeffermann (Member), Yosef Rinott (Member), and John Rao (External Examiner).

September 1984 - January 1987

- Yarmouk University, Irbid, Jordan. M.Sc., Statistics – Faculty of Science, September 1984 - January 1987.
- M.Sc. Thesis: Some Tests for the Power Series Distributions in one Parameter using the Kullback-Leibler Information Measure.
- Committees: Mohammad Salah Al-Din Ahmad (Supervisor), Adnan Awad (Member), and Mohammad Hamdan (Member).

September 1980 - June 1984

- Yarmouk University, Irbid, Jordan. B.Sc., Statistics – Faculty of Science, September 1980 - June 1984. Rank 1 in 1982/1983.

STATISTICAL SOFTWARE

- R, Python, STATA, SPSS.

RESEARCH INTERESTS

- Analytic Inference from Complex Sample Surveys under Informative Sampling
- Survey and Official Statistics
- Small Area Estimation.
- Poverty Indicators
- Nonignorable Nonresponse.
- Cross-Sectional and Longitudinal Survey Data.
- Machine Learning, Data Mining and Data Science

Updated, September, 2020

WORK

Full –Time

September 2013 – Present

- Associate Professor, September 2011-Present, Al-Quds University, Faculty of Science and Technology, Department of Mathematics, Abu-Dies- Palestine

September 2011- August 2013

- Head of Department of Mathematics (Associate Professor), September 2011-2013, Faculty of Science and Technology, Al-Quds University, Abu-Dies- Palestine.

July 2003 – August 2011

- Assistant Professor, July 2003 – August 2011, Al-Quds University, Faculty of Science and Technology, Department of Mathematics, Abu-Dies- Palestine.

September 1987 – June 2003

- Lecturer, September 1987 – June 2003. Al-Quds University, Faculty of Science and Technology, Department of Mathematics, Abu-Dies- Palestine.

Part –Time

- Associate Professor, Al-Quds Bard College, MAT Programme, Al-Quds University, Abu-Dies- Palestine. 2012-Present.
- Associate Professor. Bethlehem University, Bethlehem, Palestine. August 2017 –Present.
- Assistant and Associate Professor. Birzeit University, Ramallah, Palestine. June 2005 – June 2008. September 2011 – 2016.
- Lecturer, Assistant and Associate Professor. Palestine Polytechnic University, Hebron, Palestine. 1992-1993, 1996-1997, 2002-2003 and Summer 2000. September 2004 – June, 2006, February 2007 – June, 2007, September 2007 – June 2011. September, 2012 – January 2013.
- Assistant Professor. Hebron University, Palestine, March 2004 –June 2004.
- Teaching Assistant, Hebrew University of Jerusalem, Department of Statistics, 1998-2001.
- Lecturer and Academic Adviser. Al-Quds Open University, Hebron, Palestine, 1991-1997.
- Lecturer. Arab College of Paramedical Professions, Ramallah, Palestine, September, 1990- June, 1991.
- Teaching Assistant. Yarmouk University, Department of Statistics, Irbid, Jordan, January, 1985 – January, 1987.

STATISTICAL CONSULTING EXPERIENCE

2017

- UNICEF MENARO: MICS Regional Sampling Consultant (April 21st 2017 – February 19th 2018). Home-based with missions to MENA countries.

2015

- UNESCWA. Expert in Sampling and Surveys in Egypt, Jordan, and Palestine. Project - Strengthening Statistical Capacity of Arab Countries in Producing Energy Statistics and Energy Consumption in Transport Sector Surveys. (December 2014-August 2015).

Updated, September, 2020

2014

- Economic Research Forum (ERF), Cairo, Egypt. (2014).
- DEVSTAT, Spain. (2014).

2011

- MEDSTAT III, ADEFET, France, Euro-Mediterranean Statistical Cooperation. (2011).
- Arab Institute for Training and Research in Statistics, AITRS, Jordan. (2011).
- Medstat II, Medstat III, QUANTOS S.A., Creek, Euro- Mediterranean Statistical Cooperation. (2011).

2010

- World Bank – Consulting Services for Palestinian Central Bureau of Statistics – PCBS, Ramallah, Palestine. Nonresponse and Missing Values in Surveys, Advanced Survey Sampling Techniques, Small Area Estimation, Variance Estimation, Applications from Business and Household Surveys using SPSS and STATA. (09, August, 2010 – 31, December, 2010).

2009

- MEDSTAT II, SOGETI, GTZ, Germany, Euro- Mediterranean Statistical Cooperation. (2009).
- Medstat II, Medstat III, QUANTOS S.A., Creek, Euro- Mediterranean Statistical Cooperation (2009).

2008

- MEDSTAT II, SOGETI, GTZ, Germany, Euro- Mediterranean Statistical Cooperation. (2008).

2007

- MEDSTAT II, SOGETI, GTZ, Germany, Euro- Mediterranean Statistical Cooperation. (2007).
- World Bank – Project for Palestine Polytechnic University (PPU): Innovative Software Engineering Center. (ISEC). (2008).

2002

- Southampton University - Project for Office for National Statistics (ONS) – London: Model-Based Analysis of Labour Force Flow Data under Informative Nonresponse. (April 2002 – July 2003).

STATISTICAL TRAINER – LEADING THE FOLLOWING COURSES AND WORKSHOPS

2015

- Training Course on Statistical Samples – Theory and Applications using SPSS: Sampling Design, Weighting, Estimations, and Variance Estimation, April 20-27, 2015. CAPMAS. Cairo, Egypt.

2014

- Training Course on Sampling using SPSS – Complex Samples, December 5-7, 2014. Economic Research Forum (ERF) and CAPMAS. Cairo, Egypt.
- Overview of Survey Methodology. The 26th Annual International Conference on Statistics and Modeling in Human and Social Sciences, March 25-27, 2014, Department of Statistics, Faculty of Economics and Political Science, Cairo University, Cairo, Egypt.

- Nonresponse in Surveys. Special Course for Statisticians in Methodology in Bureau of Statistics and Census Libya. Marrakesh, Morocco, DEVSTAT, Spain. 18-22 February, 2014.

2011

- Survey Nonresponse: Reduction, Weighting and Imputation, using SPSS and SAS. Egypt, Cairo, ITTC, (9 October- 12 October, 2011). ADETEF, Medstat III, Euro- Mediterranean Statistical Cooperation.
- Statistical Analysis of Missing Data in Censuses and Surveys, using SPSS and STAT. Amman, Jordan (25 July– 28 July, 2011). AITRS, Arab Institute for Training and Research in Statistics.
- Missing Data (Statistical Effects and Dealing with the Problem). Amman, Jordan (30 April – 1st May, 2011). AITRS, Arab Institute for Training and Research in Statistics.
- Sampling Methods for Official Statistics, using SAS. E- Learning course. (March – May, 2011). QUANTOS S.A., Medstat III, Euro- Mediterranean Statistical Cooperation.

2010

- Statistical Data Analysis, using SPSS. INSAN Center. Al-Quds University, Palestine. (2010).
- World Bank – Consulting Services for Palestinian Central Bureau of Statistics – PCBS, Ramallah, Palestine. Nonresponse and Missing Values in Surveys, Advanced Survey Sampling Techniques, Small Area Estimation, Variance Estimation, Applications from Business and Household Surveys, using SPSS and STATA. (09, August, 2010 – 31, December, 2010).

2009

- Sampling Methods for Official Statistics, using SAS. E- Learning course. (February – June, 2009). QUANTOS S.A., Medstat II, Euro- Mediterranean Statistical Cooperation.

2008

- Statistical Data Analysis with SPSS. Cairo, Egypt (17–21, August, 2008). SOGETI, GTZ, Medstat II, Euro- Mediterranean Statistical Cooperation.
- Nonresponse in Surveys with Applications, using SPSS and SAS. Algeria, (21–25, June, 2008). SOGETI, GTZ, Medstat II, Euro- Mediterranean Statistical Cooperation.

2007

- Time Series Analysis with Applications, using SPSS and STAT. Damascus, Syria, (02–06, December, 2007). SOGETI, GTZ, Medstat II, Euro- Mediterranean Statistical Cooperation.
- Small Area Estimation, using SAS. Amman, Jordan (17–20, June, 2007). SOGETI, GTZ, Medstat II, Euro- Mediterranean Statistical Cooperation.
- Sampling Techniques and Practice – Agriculture Sector, using SPSS. Cairo, Egypt (25–29, March, 2007). SOGETI, GTZ, Medstat II, Euro- Mediterranean Statistical Cooperation.

2005

- Advanced Survey Sampling, using Excel and SPSS. (27 August 2005 – 1st September 2005). Palestinian Central Bureau of Statistics – PCBS.

- Statistical Data Analysis using SPSS. (June, 2005). Saudi Arabia Graduate students in Southampton and Bradford, UK.

SHORT AND LONG COURSES ATTENDED IN DATA SCIENCE, SURVEY, OFFICIAL AND SOCIAL STATISTICS

2020

- Research Infrastructure for Science and Innovation Policy Studies, RISIS Data Quality for Research and Higher Education Studies, 15-17, September, 2020. Organizer: DIAG Department, Sapienz University of Rome.
- Al-Quds University-Palestine. Data Science. 27-31, August, 2020. Organizer: Professor Raphael Volz, University of Pforzheim, Germany.

2018

- University of Essex-UK. Introduction to Latent Class Analysis. 24 July 2018.
- Al-Quds University-Palestine. Scientific Computing (Graduate Course). September-December, 2018. Organizer: Dr, Yousef Zahaykah.

2017

- Al-Quds University-Palestine. Numerical Analysis (Graduate Course). September-December, 2017. Organizer: Dr, Yousef Zahaykah.
- 61th Session of the International Statistical Institute, Marrakech, Morocco: Construction of weights and treatment of influential units in surveys. Organizer: Prof. David Haziza, and Prof. Jean-François Beaumont, 13-14 July 2017.
- MICS6 Survey Design Workshops. Beirut, Lebanon (19-26, April, 2017). Organized by UNICEF Regional Office for Middle East and North Africa.

2016

- Al-Quds University-Palestine. Machine Learning. 9-11, April, 2016. Organizer: Professor Matthias Treder.
- Aix-Marseille University. Statistical learning. 1-5, February, 2016. Organizers: Badih Ghattas and Liva Ralaivola.
- Al-Quds University-Palestine. Numerical Analysis I (Undergraduate Course) . September-December, 2016. Organizer: Dr, Yousef Zahaykah.
- ERF. Training Workshop on "Applied Microeconometrics & Public Policy". January 4-6, 2016. Economic Research Forum (ERF). Cairo, Egypt. Organizer: Professor Ragui Assaad.

2015

- 60th Session of the International Statistical Institute, Rio De Janeiro, Brazil: Advanced Topics in Survey Sampling. Organizer: Prof. Wayne Fuller, 23-24 July 2015.
- 60th Session of the International Statistical Institute, Rio De Janeiro, Brazil: Total Survey Quality. Organizers: Prof. Paul Biemer, 25 July 2015.

2012, June 4 – July 27

- University of Michigan – Ann Arbor, Institute for Survey Research, Survey Research Center. 65th Annual Summer Institute in Survey Research Techniques. Sampling Program for Survey Statisticians. Attending through C tools the following courses:
 - Methods of Survey Sampling

Updated, September, 2020

- Design and Analysis of Complex Survey Data using STATA
 - Workshop in Survey Sampling
- 2010**
- University of Southampton. Southampton Statistical Sciences Research Institute, S3RI: Advanced Methods for Small Area Estimation. Organizers: Prof. Danny Pfeffermann and Dr. Pedro Silva. 14-15 February, 2010.
- 2009**
- 57th Session of the ISI, Durban, South Africa: Business Survey Design. Organizers: Prof. Wesley Yung and Prof. Mike Hidioglou. 12-13 August 2009.
 - 57th Session of the ISI, Durban, South Africa: Seasonal Adjustment. Organizers: Dr. Craig H. McLaren and Dr. Brian Monsell. 14-15 August 2009.
 - 5th Conference of the Eastern Mediterranean Region of the International Biometric Society (EMR-IBS), Istanbul, Turkey. Longitudinal Data Analysis with Missing Data. Organizer: Prof: Recai Yücel. 10, May, 2009.
- 2008**
- University of Southampton. Southampton Statistical Sciences Research Institute, S3RI: Sample Survey and Bayesian Statistics. Organizer: Professors: Malay Ghosh, Roderick Little, and Trivellore Raghunathan, 26-27 August, 2008.
 - University of Southampton. Southampton Statistical Sciences Research Institute, S3RI: Longitudinal Data Analysis using STATA. Organizer: Prof: Peter Smith, 14-15 January, 2008.
 - University of Southampton. Southampton Statistical Sciences Research Institute, S3RI: Structural Equation Modelling using AMOS. Organizer: Dr: Patrick Sturgis, 16-17 January, 2008.
- 2007**
- Hebrew University of Jerusalem. Inference on Models from Complex Sample Surveys. Lecturer: Prof. Danny Pfeffermann: 29, October, 2006 – 20, February, 2007.
- 2006**
- Hebrew University of Jerusalem. Small Area Estimation. Lecturer: Prof. Danny Pfeffermann: 5, November, 2005 – 15, February, 2006.
- 2004**
- University of Southampton. Southampton Statistical Sciences Research Institute, S3RI: Likelihood Methods for Surveys. Organizer: Profs: Ray Chambers, Alan Welch and Alan Dorfman, 9-11 June 2004.
- 2002**
- University of Southampton. Department of Social Statistics: Compensating for Non-Response. Organizer: Prof. Chris Skinner, 18-22 March 2002.
 - University of Southampton. Department of Social Statistics: Time Series II. Organizer: Prof. Danny Pfeffermann. 29 April – 3 May, 2002.
 - University of Southampton. Department of Social Statistics: Multilevel models using MLwin. Organizer: Dr. Fiona Steele, 15-19 April 2002.
- 2001**
- 53rd Session of the ISI, Seoul, South Korea: Survey Sampling Workshop. Organizers: Prof. Graham Kalton and Dr. Colm O'Muircheartaigh. 18-20 August 2001.

- 53rd Session of the ISI, Seoul, South Korea: Variance Estimation in Complex Survey. Organizer: Prof. Wayne Fuller. 20-22 August 2001.
- Imperial College, London, Short Course: Longitudinal Data Analysis using S-Plus. Course Organizer: Dr. Leo Knorr-Held. 26-28 February 2001.
- Atlanta, USA, Short Course: Mixed Models for Longitudinal Data: An Applied Introduction. Course Organizer: Dr. Donald Hedeker, 8th Biennial CDC and ATSDR Symposium on Statistical Methods. 22-26 January 2001.

VISITING

2019

- Professor Miguel Universidad Autónoma de Madrid. Faculty of Psychology. November 4-6, 2019.
- Professor Molina Isabel. Universidad Carlos III de Madrid. Department of Statistics. November 7-8, 2019.

2018

- Professor Tiomo Schmid, Freie Universität Berlin, Germany. DAAD Scholarship- Research Stays for University Academics and Scientists, 01/12/2018 to 31/12/2018.
- Professor Tiomo Schmid, Freie Universität Berlin, Germany. DAAD Scholarship- Research Stays for University Academics and Scientists, 01/06/2018 to 31/08/2018. 2018.

2017

- TU Kaiserslautern. Department of Computer Science. November 19-24, 2017. Research Visit – Theory of Statistical Machine Learning. Invitation from Professor Marius Kloft.

2016

- Middle East Technical University. Department of Statistics, May 9-18, 2016.

2011

- Palestine Polytechnic University, Hebron, Palestine. (Sabbatical Leave). September 2010 – August 2011. (Three days per week).

2010

- University of Southampton, Southampton Statistical Sciences Research Institute, S3RI, UK: 12 - 18, February, 2010. Assistant Professor.

2008

- University of Southampton, Southampton Statistical Sciences Research Institute, S3RI, UK: 12 - 26, January, 2008. Assistant Professor – visit Professor Peter Smith.

2007

- University of Southampton, Southampton Statistical Sciences Research Institute, S3RI, UK: 18 – 5, July, 2007. Assistant Professor – visit Professor Peter Smith.

2006

- Australian Bureau of Statistics (ABS), Canberra, Australia, Business Survey Methodology Division: 3 – 4, July, 2006. Assistant Professor.

2005

- University of Southampton, Southampton Statistical Sciences Research Institute, S3RI, UK: May-June, 2005. Assistant Professor.

2004

- University of Southampton, Southampton Statistical Sciences Research Institute, S3RI, UK: May-June, 2004. Assistant Professor.

2003

- University of Southampton, Southampton Statistical Sciences Research Institute, S3RI, UK: July-August, 2003. Assistant Professor.

2001/2002

- University of Southampton, Department of Social Statistics, UK. Academic year 2001/2002. Visiting Research Student.

1997

- Nijmegen University, Department of Statistics, the Netherlands, September 1997. Visiting Student.

1992

- Western Michigan University, Department of Statistics, USA. January-February, 1992. Visiting Student.

SCHOLARSHIPS, FELLOWSHIPS AND AWARDS

1. Erasmus+ KA107 Program. Staff Mobility for Teaching. Universidad Autónoma de Madrid. Faculty of Psychology, November 3-10, 2019.
2. World Bank Trust Fund for Statistical Capacity Building (WBTFSCB) (2018). Participating in Second Conference of Methodology of Longitudinal Surveys (MOLS2). University of Essex. 25-27 August 2018.
3. Award of the Best Research of the Year (2018). The Second International Congress On Social Sciences 2018, held at Al-Quds University –Palestine, during (23-25 / 3/2018). The title of the research is: Fitting Random and Fixed Effects Models for One-Way Analysis of Variance under Complex Survey Data
4. DAAD Scholarship. Professor Tiomo Schmid, Freie Universität Berlin, Germany. Research Stays for University Academics and Scientists, 01/06/2018 to 31/08/2018. 2018.
5. Erasmus+. Staff Mobility for Teaching. Middle East Technical University. Department of Statistics, May 9-18, 2016.
6. The Best Paper Prize in the field of Sampling Awarded by the Indian Society of Agricultural Statistics, New Delhi (during 2012 and 2013). Journal of the Indian Society of Agricultural Statistics. Volume 66 (2012) and Volume 67 (2013) have been evaluated for judging the best papers. The paper titled: Estimation and Prediction under Nonignorable Nonresponse via Response and Nonresponse Distributions by Abdulhakeem AH Eideh published in Volume 66, o. 3, December, 2012, pp.359-380 has been selected for best paper award in the field of Sampling.
7. Kish Fellowship, 65TH. In Survey Research Techniques, University of Michigan in Ann Arbor, USA. June and July, 2012.
8. ISI 2009 FUNDING. 57th Session of the ISI, Durban, South Africa, August 16-22, 2009.
9. British Academy/ ESRC Visiting Fellowships, 12 January – 13, February, 2008.
10. World Bank fund. 56th Session of the ISI, Lisboa, Portugal, August 22-29, 2007.
11. Academy/ ESRC Visiting Fellowships, 18, July - 5, August, 2007.
12. Local Organization. 54th Session of the ISI, Berlin, Germany, August 13-20, 2003.
13. UNDP Fund. 53rd Session of the ISI, Seoul, South Korea, August 22-29, 2001.
14. Al-Quds University Scholarship, (PhD). Palestine, March 1998 – July 2003.

Updated, September, 2020

15. University Scholarship, Irbid, Jordan, January, 1985 – January, 1987.

CONFERENCES ATTENDED

2019

- 6th Italian Conference on Survey Methodology ITACOSM 2019 “Survey and Data Science”. June 05-07, 2019 in Florence (Italy).
- 5TH Baltic-Nordic Conference on Survey Statistics. BaNoCoSS 16-20 June 2019. Örebro, Sweden.
- Symposium on “Simulation-Based Science and Engineering”. Palestine Academy for Science and Technology. 7-9 March 2019, Palestine.

2018

- Applied Mathematics and Random Structure. Birzeit University, Palestine. 27-30 August 2018.
- The Sixth Palestinian Conference on Modern Trends in Mathematics and Physics. (PCMTMP-VI). Palestine Technical University – Kadoorie-Palestine. 5-8 August 2018.
- The Second International Congress on Social Sciences 2018, held at University of Essex, during (25-27 / 08/2018).
- The Second International Congress on Social Sciences 2018, held at Al-Quds University –Palestine, during (23-25 / 3/2018). The title of the research is: Fitting Random and Fixed Effects Models for One-Way Analysis of Variance under Complex Survey Data.

2017

- 61th Session of the International Statistical Institute, Marrakech, Morocco: 16-21 July, 2017.

2015

- 60th Session of the ISI, Rio De Janeiro, Brazil, July 26-31, July, 2015.

2014

- The 26th Annual International Conference on Statistics and Modeling in Human and Social Sciences, March 25-27, 2014, Department of Statistics, Faculty of Economics and Political Science, Cairo University, Cairo, Egypt.

2013

- The 6th International Conference of the ERCIM WG on Computational and Methodological Statistics (ERCIM 2013), Senate House, University of London, UK, 14-16 December 2013. 2012.

2012

- Third Palestinian Conference on Modern Trends in Mathematics and Physics, PCMTMP-III, 16-22 August 2012.

2011

- The 3rd World Arab Statistician Conference. Amman, Jordan, 10-20 December 2011.

2010

- Statistics for Complex Problems: In honor of the 70th birthday of Fortunato Pesarin, Padova, Italy, 14-15, June, 2010.

2009

- The 10th Islamic Countries Conference on Statistical Sciences (ICCS-X). American University in Cairo (AUC), Egypt, 20-23, December, 2009.

Updated, September, 2020

- 57th Session of the ISI, Durban, South Africa, 16-22, August, 2009.
 - 5th Conference of the Eastern Mediterranean Region of the International Biometric Society (EMR-IBS), Istanbul, Turkey, 10-14, May, 2009.
- 2008**
- Sample Survey and Bayesian Statistics, University of Southampton, Southampton, UK, 26th– 29th, August, 2008.
- 2007**
- 56th Session of the ISI, Lisboa, Portugal, August 22-29, August, 2007.
 - Ordered Statistical Data & Inequalities: Theory & Applications. The University of Jordan, Amman, Jordan, June 12-14, 2007.
- 2006**
- S3RI Symposium on the Convergence of Methods for the Analysis of Panel Data. University of Southampton, Southampton, UK, 6th – 7th, April, 2006.
 - MOLS (2006). Methodology of Longitudinal Surveys. University of Essex, Colchester, UK, 12-14, July, 2006.
- 2004**
- IAOS-IASS Joint Conference on Poverty, Social Exclusion and Development: a Statistical Perspective. Jordan, November 29 - December 1st, 2004.
- 2003**
- 54th Session of the ISI, Berlin, Germany, August 13-20, 2003.
- 2002**
- Baltic-Nordic Conference on Survey Sampling: Ammarnas, Sweden. 17-23, August, 2002.
- 2001**
- 53rd Session of the ISI, Seoul, South Korea, 22-29, August, 2001.
 - 8th Biennial CDC and ATSDR Symposium on Statistical Methods: Atlanta, USA, 22-24, January, 2001.
- 2000**
- The Third International Palestinian Conference on Mathematics and Mathematics Education: Bethlehem University, Bethlehem, Palestine, 9-12, August, 2000.
- 1993**
- First Annual Conference on Mathematical Sciences: Birzeit University, Ramallah, Palestine, 16-18, June, 1993.

- Eideh, A.H. (2018). Method of Moments Estimators of Finite Population Parameters under Complex Surveys. The Sixth Palestinian Conference on Modern Trends in Mathematics and Physics. (PCMTMP-VI). Palestine Technical University – Kadoorie-Palestine. 5-8 August 2018.
- Eideh, A.H. (2018). Fitting Statistical Models for Longitudinal Survey Data under Informative Sampling. *The Second International Congress on Social Sciences 2018*, held at University of Essex, during (25-27 / 08/2018).
- Eideh, A.H. (2018). Fitting Random and Fixed Effects Models for One-Way Analysis of Variance under Complex Survey Data. *Contributed Paper for The Second International Congress on Social Sciences 2018*, held at Al-Quds University –Palestine, during (23-25 / 3/2018).

2017

- Eideh, A.H. (2018). Bayes Estimation and Prediction of Biased Sample Selected from a Finite Population. *Contributed Paper for the 61th Biennial Session of the International Statistical Institute*, July 16-21, July 2017, Marrakech, Morocco.

2015

- Eideh, A.H. (2015). Analysis of Survey Data under Informative Sampling and Nonignorable Nonresponse. *Contributed Paper for the 60th Biennial Session of the International Statistical Institute*, July 26-31, 2015, Rio De Janeiro, Brazil.

2014

- Eideh (2014). Bayes Estimation and Prediction under Biased Sample Selected from a Finite Population. The 26th Annual International Conference on Statistics and Modeling in Human and Social Sciences, March 25-27, 2014, Department of Statistics, Faculty of Economics and Political Science, Cairo University, Cairo, Egypt.

2013

- Eideh (2013). Goodness of Fit Test under Complex Surveys. The 6th International Conference of the ERCIM WG on Computational and Methodological Statistics (ERCIM 2013), Senate House, University of London, UK, 14-16 December 2013. 2012.

2012

- Eideh, A.H. (2012). Analysis of Continuous Multivariate Measurements under Informative Sampling with Application in Longitudinal Survey Data. *Contributed Paper for the Third Palestinian Conference on Modern Trends in Mathematics and Physics, PCMTMP-III*, 16-22 August 2012.

2011

- Eideh A.H. (2011). Categorical Data Analysis under Complex Surveys. *The 3rd World Arab Statistician Conference*. Amman, Jordan, 10-20, December 2011.
- Eideh, A.H. (2011). Prediction of Finite Population Total under Nonignorable Nonresponse via Response and Nonresponse Distributions. *Contributed Paper for the 58th Biennial Session of the International Statistical Institute*, August 22 - 26, 2011, Dublin, Ireland, ISI 2011.
<http://isi2011.congressplanner.eu/pdfs/950285.pdf>.

2010

- Eideh, A.H. (2010). Fitting Random and Fixed Effects Models for 1-Way Classification under Informative Sampling. *Poster in the Statistics for Complex Problems: In honor of the 70th birthday of Fortunato Pesarin*, Padova, Italy, 14-15, June, 2010.

2009

- Eideh, A.H. (2009). Fitting General Linear Model for Longitudinal Survey Data under Informative Sampling. *Contributed paper for XXV International Methodology Symposium*. Statistics Canada, October 27-30 2009. Abstracts and proceedings. Session 21: Longitudinal Data Analysis Techniques.
- Eideh, A.H. (2009). Analytic Inference of Complex Survey Data under Informative Probability Sampling. *Contributed Paper for the 10th Islamic Countries Conference on Statistical Sciences (ICCS-X)*. American University in Cairo (AUC), Egypt, 20-23, December, 2009. Book of Abstracts, p 61.
- Eideh, A.H. (2009). Analysis of Continuous Multivariate Measurements under Informative Sampling with Application in Longitudinal Survey Data. *Contributed Paper for the 57th Biennial Session of the International Statistical Institute*, August 16 - 22, 2009, Durban, South Africa, ISI 2009, Book of Abstracts, p 399.
- Eideh, A.H. (2009). Estimation and Prediction of Random Effects Models for Longitudinal Survey Data under Informative Sampling. *Contributed Paper for the 5th Conference of the Eastern Mediterranean Region of the International*

Biometric Society (EMR-IBS), Istanbul, Turkey, 10-14, May, 2009. Book of Abstracts, page 70.

2008

- Eideh, A.H. (2008). Bayes Estimation under Informative Sampling Design. *Contributed Paper for the conference on Sample Survey and Bayesian Statistics*, S3RI, University of Southampton, Southampton, UK, 26th - 29th, August, 2008. Full presentation: see the link:

COURSES STUDIED IN STATISTICS AND MATHEMATICS

UNDERGRADUATE COURSES: B.SC

A. Statistics – Yarmouk University

Statistics and Probability, Statistics, Probability Theory I, Clustering Algorithms, Statistics I, Sampling Theory, Nonparametric Statistics, Analysis of Categorical Data, Probability Theory II, Time Series, Experimental Design and Analysis of Variance, Bayesian Methods, Estimation and Hypotheses Testing, Data Analysis.

B. Mathematics - Yarmouk University

Calculus, Calculus and Analytic Geometry I, Logic, Calculus and Analytic Geometry II, Intermediate Analysis, Ordinary Differential Equations, Numerical Analysis, Linear Algebra I, Linear Algebra II, Mathematical Methods, Foundation of Mathematics.

GRADUATE COURSES: M.SC

A. Statistics - Yarmouk University

Probability Theory I, Mathematical Statistics I, Mathematical Statistics II, Statistical Computation, Applied Statistics I, Regression Analysis, Special Topics – Reliability, Information Theory.

B. Mathematics - Yarmouk University

Real Analysis II

GRADUATE COURSES: PH.D

Statistics - Hebrew University of Jerusalem.

Inference on Statistics, Models from Complex Surveys, Advanced Statistical Models I, Analysis of Time Series, Seminar – Statistical Models, Seminal in Advanced Sampling.

TEACHING EXPERIENCE UNIVERSITY COURSES TAUGHT I - UNDERGRADUATE COURSES

Mathematics: Al-Quds University, Palatine

- Calculus I, Calculus II, Calculus III, Linear Algebra I, Linear Algebra II, Applied Mathematics I, Ordinary Differential Equations I, Mathematical Analysis, Discrete Mathematics, Seminar in Mathematics.

Updated, September, 2020

Mathematics: Palestine Polytechnic University

- Calculus I, Calculus II.

Statistics: Al-Quds University

- Statistics and Probability (IT-Dual Studies), All of statistics, Demographic Methods and Projection, Biostatistics and Epidemiology, Research Methods, Sampling Techniques, Business Statistics, Analysis of Time Series, Regression Analysis, Multivariate Statistical Analysis, Analysis of Variance, Probability Theory I, Probability Theory II, Mathematical Statistics, Statistics for Social Sciences, Introduction to Probability and Statistics, Special Topics in Statistics, Probability and Statistics for Engineers, Statistical Methods I for Information Technology using SPSS, Statistical Methods II for Information Technology using SPSS, Linear Models I using SPSS, Linear Models II using SPSS, Seminar in Statistics.

Mathematics: Al-Quds University, Palatine

- Mathematics I and II (IT-Dual Studies).
- Calculus I, Calculus II, Calculus III, Linear Algebra I, Linear Algebra II, Applied Mathematics I, Ordinary Differential Equations I, Mathematical Analysis, Discrete Mathematics, Seminar in Mathematics.

Statistics: Palestine Polytechnic University

- Sampling Theory, Analysis of Time Series, Linear Models I, Linear Models II, Multivariate Statistical Analysis, Analysis of Variance, Introduction to Statistics, Probability Theory, Mathematical Statistics, Statistics for Information System, Probability and Statistics for Engineers, and Design of Experiment.

Statistics: Hebron University

- Mathematical Statistics.

Statistics and Mathematics: Al-Quds Open University

- Principles of Statistics, Applied Statistics, Probability Theory, Mathematical Statistics, Discrete Mathematics, Mathematical Analysis.

Statistics: Bethlehem University:

- Business Statistics

II GRADUATE COURSES-MASTER

Statistics: Al-Quds University

- Advanced Statistics for health sciences, Probability Theory – Department of Mathematics, Advanced Statistical Analysis using SPSS Software – Department of Economics, Statistics using SPSS Software – Department of Environment. Statistics for Behavioral Sciences- Faculty of Education.

Statistics: Birzeit University, Applied Statistics

- Modern Applied Biostatistical Methods using S-Plus, Nonparametric Statistics, Mathematical Statistics, Survey Sampling, Statistical Analysis with Missing Data using

Updated, September, 2020

SPSS, Time Series Analysis using SPSS, Linear Statistical Models, Qualitative Data Analysis (Categorical Data Analysis), Probability and Statistical Inferences, Multivariate Statistical Analysis, Seminar 1- Regression analysis (Quantitative Analysis), Seminar 2- Experimental Design.

Statistics: Palestine Polytechnic University – Mathematics

- Mathematical Statistics, Probability Theory.

II GRADUATE COURSES-PHD

Data Science: Al-Quds University

- Data Analytics and Mining

MEMBERSHIP

- International Statistical Institute (ISI) (2003-present)
- International Association for Official Statistics (IAOS) (2004-present)
- International Association for Survey Statisticians (IASS) (2000-present)
- Islamic Countries Society of Statistical Sciences (ISOSS) (2010-present)
- Union of Arab Statistician (2007-present)
- Academic Council (1995-1996, 2009-2010) – Faculty of Science and Technology, Al-Quds University. Palestine.
- Hebron University Graduates Union. (1987-Present)

COMMITTEES

- Founding Council of the Palestinian Mathematical Society (PMS). (2018-Present).
- Organization Committee of the 6th Palestinian Conference in Modern Trends in Mathematics and Physics – 2018. Palestine Technical University-Kadoori, Palestine.
- Committee of reviewing study plan in mathematics at Al-Quds University, 2017.
- Management, Organization and Scientific Committee of the 4th Palestinian Conference in Modern Trends in Mathematics and Physics – 2014. Al-Quds University, Palestine.
- Member of Organization Committee of Palestinian Olympiad Mathematics 2014.
- Chairman of the Committee of Celebration of the International Year of Statistics-2013. Al-Quds University.
- Country (Palestine) Representative in the International Association for Survey Statisticians (IASS) (2012-present).
- Chairman of Organization Committee of Palestinian Olympiad Mathematics 2012.
- Elected Council Member of Union of Arab Statistician (2011-2015).
- Committee of Celebration of World Statists Day. Palestine Polytechnic University, 2010.
- Central Committee of election of student union council. Al-Quds, Palestine, 2009.
- Committee of Al-Quds Honor College. Study plan for mathematics and minor in social statistics. Al-Quds, Palestine, 2008-present.
- Committee of updating the Website of Faculty of Science and Technology, Al-Quds, Palestine, 2006-2007.
- Committee of reviewing the study plan in mathematics, Al-Quds, Palestine, 2006.
- Committee of Information and Evaluation –Chairman, Faculty of Science and Technology, Al-Quds, Palestine, 2003-2005.

Updated, September, 2020

- Committee of preparing study plan in applied mathematics at Palestine Polytechnic University, 1995.
